"Deadline Looming"

COLUMBUS (Nov. 2, 2012) – A total of 60,593 Ohio veterans and family members have received payments from the Ohio Veterans Bonus totaling \$50,893,704 – and other eligible veterans are urged to take advantage of this special thank-you for their service from Ohio voters.

Action is particularly critical for two groups of veterans – those from the Persian Gulf War and Iraq War eras. The deadline to apply for Persian Gulf veterans is December 31, 2013. Iraq War veterans face a deadline of December 31, 2014 to apply.

The citizens of Ohio overwhelmingly approved the Ohio Veterans Bonus in November 2009 for veterans of the Persian Gulf War, Iraq War and Afghanistan War eras. The law implementing the Bonus set a deadline for Persian Gulf War

veterans to apply of December 31, 2013. The same law set the deadline for Iraq War veterans as the third year following a date determined by the President as the end of the conflict. Tentatively, this date is the termination date of the Iraq Campaign Medal, which was December 31, 2011, making the deadline for Bonus application for service in Iraq December 31, 2014. No deadline has yet been announced for the Afghanistan War.

"Every veteran who's served during our recent wars is eligible for the Bonus," Ohio Department of Veterans Services Director Tom Moe said. "We're very pleased with the response we've had to this point, but we're not going to rest in getting out the word. We particularly want to be sure that we reach all of our Gulf War and Iraq veterans."

"I'm also calling on our entire Ohio veterans' community to be sure that our veterans of today know about the Bonus, and take the time to apply for it," Director Moe continued. "It's a simple process that can be started with a phone call

or some time online, or at a county veterans service office, and then followed up by mailing in the appropriate documents. Every veteran and their family deserves our thanks, and no eligible veteran should miss out.”

The Ohio Veterans Bonus is open to veterans of the Persian Gulf War era as well as the eras of the wars in Iraq and Afghanistan, regardless of where they served, as well as the next of kin of those who were killed in action or died of disease as a result of in-theater service. The Bonus is not subject to federal or state taxes, and can be used for any purpose.

Specific criteria for award of the Ohio Veterans Bonus is: service in the Armed Forces of more than 90 days active duty, not for training, during the periods of the Persian Gulf War and the conflicts in Afghanistan and Iraq. For the Persian Gulf, the eligible period is from August 2, 1990 through March 3, 1991; for Afghanistan, from October 7, 2001 through a date to be determined by the President, and for Iraq, from March 19, 2003 through December 31, 2011. Eligible veterans must have been Ohio residents at the time of their entry into the service, and must be Ohio residents currently.

The bonus pays \$100 a month to veterans who served in the Persian Gulf theater, or in the countries of Afghanistan or Iraq, up to a maximum of \$1,000. For veterans who served elsewhere, the payment is \$50 a month up to a \$500 maximum. Veterans medically discharged due to injuries sustained in combat can receive \$1,000, plus \$500 for months of service elsewhere. Family members of those killed in action or who died from disease as a result of their in-theater service can receive a bonus of \$5,000 plus whatever the service

member was eligible for, up to a total of \$6,500.

Veterans needing more information or who want to apply can call toll-free to 1-877-OHIOVET (1-877-644-6838) option 2, visit www.veteransbonus.ohio.gov, or visit any county veterans service office (see www.dvs.ohio.gov for an interactive map of the county offices). The department also provides information about the bonus through its social media and at veterans' events, and has advertised the program in print and broadcast media.

The Ohio Veterans Bonus continues a tradition of bonuses to reward Ohio veterans that dates back to the Civil War; however, these other war bonuses are now closed.

Marine Toys for Tots Foundation Columbus, Ohio

The 2012 Toys For Tots Campaign for Columbus, and surrounding Central Ohio Counties officially began the season on October 1st for 84 days until Christmas. This year the Marines, Sailors, and civilian volunteers of Lima Co 3D Battalion, 25th Marines and surrounding local communities are going to make every effort to make the Toys For Tots Campaign very successful. To serve someone in greater need than ourselves. Think of your children. What would you do to prevent them from suffering? As a parent, we do

whatever it takes for our children not to experience a single moment of grief. Toys For Tots is a program designed to bring people together and to allow those less fortunate than ourselves to celebrate equally. They are here to give every child in Delaware, Franklin, Fairfield, Hocking, Licking, Madison, Perry, Pickaway, and Union counties a fitting Holiday Season. Established in 1944 as part of the original GI Bill of Rights for returning World War II Veterans it has grown to the point that the VA has guaranteed 540,000 mortgages in 2012.

"VA to Screen Vets for Lung Cancer in Early Stages" - On August 13, 2012 the VA has agreed to start CT scanning for lung cancer at its earliest states at VA medical facilities. Through the efforts of the Vietnam Veterans of America (VVA) and The Lung Cancer Alliance it is now in effect.

Each year, some 8,000 veterans enter the VA healthcare system with advanced stage lung cancer. After five years, only about 15 percent of them survive.

Vietnam veterans—indeed all who have seen war up close and personal—are known to be at a higher risk for lung cancer than their civilian counterparts because of exposure to a variety of toxic chemical and carcinogenic substances during their time in the

military as well as higher rates of smoking.

Everyone should be cautious about traveling in extreme winter weather. Cold, snow and ice are demanding on cars, drivers and passengers. Cold affects metal, rubber, and other materials in your car. It can reduce the effectiveness of your vehicles' battery by at least 50 percent. It can freeze tires and keep them flat on the bottom for at least the first half-mile of travel. It can thicken your car's lubricants, making the engine work too hard. Most importantly, extreme winter weather can threaten your life. Here are a few tips to stay safe:

- ~ Plan before you travel
- ~ Prepare your vehicle
- ~ Be aware of the weather
- ~ Make yourself easy to find
- ~ Stay in your vehicle
- ~ Avoid Overexertion

"Night Before Christmas – Veterans"

'Twas the night before Christmas, he lived all alone, In a one bedroom house made of plaster & stone. I had come down the chimney with presents to give and to see just who in this home did live.

I looked all about a strange sight I did see, No tinsel, no presents, not even a tree. No stocking by the fire, just boots filled with sand, on the wall hung pictures of far distant lands. Whit medals and badges, awards of all kind a sober thought came through my mind. For this house was different, so dark and dreary, I knew I had found the home of a soldier, once I could see clearly.

I heard stories about them, I had to see more so I walked down the hall and pushed open the door. And there he lay sleeping silent alone, curled up on the floor in his one bedroom home. His face so gentle, his room in such disorder, not how I pictured a United States soldier.

Was this the hero of whom I'd just read? Curled up I his poncho, a floor for his bed? His head was clean shaven, his weathered face tan, I soon understood this was more than a man. For I realized the families that I saw that night owed their lives to these men who were willing to fight. Soon 'round the world, the children would play, and grownups would celebrate on a bright Christmas day. They all enjoyed freedom each month of the year, because of soldiers like this one lying here. I couldn't help wonder how many lay alone on a cold Christmas Eve in a land far from home. Just the very thought brought a tear to my eye, I dropped to my knees and started to cry. The soldier awakened and I heard a rough voice, "Santa don't cry, this life is my choice; I fight for freedom, I don't ask for more, my life is my God, my country, my Corps."

With that he rolled over and drifted off into sleep, I couldn't control it, I continued to weep. I watched him for hours, so silent and still, I noticed he shivered from the cold night's chill. So I took off my jacket, the one

mad of red, and covered this Soldier from his toes to his head. And I put on his t-shirt of gray and black, with an eagle and a Army patch embroidered on back. And although it barely fit me, I began to swell with pride, and for a shining moment, I was United States Army deep inside.

I didn't want to leave him on that cold dark night, this guardian of honor so willing to fight. Then the soldier rolled over, whispered with a voice so clean and pure, "Carry on Santa, It's Christmas Day, all is secure."

One look at my watch, and I knew he was right, Merry Christmas my friend, and to all a good night!
